

CLUBS

Breakfast Club

Breakfast Club is available from 7.45am every morning in the school hall. The children are served breakfast, with a choice of cereals and toast. The children can play games, draw and colour or do their homework in a safe and warm environment. The staff then accompany the children to line up on the playground in time for the morning bell at 8.40am. The cost varies, depending on what time the child arrives:

Arrival between 7.45am and 8.00am = £3 per session

Arrival between 8.00am and 8.25am = £2 per session

Arrival after 8.25am = £1 per session

After-School Club (child care)

Children from St Christopher's who require after-school care are able to use the after-school club which runs at Our Lady's Primary School. The children are collected from their classes by the After-school club staff, who then walk them across to Our Lady's School. Parents collect their children from Our Lady's, up until 6.00pm. Further information about this facility can be found by emailing info@oxfordactive.co.uk

After-School Clubs at St Christopher's
