

# Welcome to Plane Class

Teacher - Mrs Exley  
TA - Mrs Craft  
TA - Mrs White

It is lovely to welcome the children back to an exciting and warmer Summer term. We are looking forward to getting the children ready for Year 4 and enjoying some fun in the good weather.

In maths we will continue to revise our times tables and have a weekly test. We will be learning more about time and measurement.

In science this term we will be studying animals including humans and then looking at the plant life cycle.

This term the children will be studying the story of The Lion King and learning about the importance of characterisation

Homework will be given out every Thursday and returned the following Wednesday. Spellings and times tables will be given out at the end of every week and tested the following week.

Reading at home is an essential part of homework and children are expected to read aloud to an adult at home at least 3 times a week

In RE we will be learning about Islam.

Our topics this term will be research into life in Norman England and in Geography we will be investigating maps and the different uses of land.

PE will take place every Monday and Wednesday. Forest School will take place every Wednesday and Friday (see the list on the class door for your child's session). Please ensure that your child has an appropriate change of clothes and shoes for PE
