

Apple Class

Time table

PE: Mondays and Wednesdays.

Please make sure your child has their PE kit for these days

Literacy

Our focus text for the first half term is The Lion King. The children will learn a version of the story which will help them to create their own version as the term progresses. We will also be looking at different types of poetry, writing poems and perfecting our performance poetry. After half term we will be studying persuasive texts.

Maths We will be doing all kinds of measuring in maths including; lengths, weights and volume. We will also revisit measuring angles. We will look at bar graphs and pictograms and interpreting the data that they provide. We will be consolidating our understanding of addition, subtraction, multiplication, division, money and time.

History and Geography

In History we will be studying times when Britain was invaded and in Geography we will find out how land is used in our local area.

Science This term the children will be finding out about Animals and Humans and after half term we will be studying Plants

Homework

We have looked carefully at the homework for year 3 and will be setting work that the children should be able to do independently to support their learning in school. Please encourage your child to spend some time, each weekend, checking their homework and allowing time for help to be given if necessary. Your child should also be reading every day, learning their spellings and their 3,4 and 8 times tables.
