

Apple and Plane Classes

Maths

In maths the children will be working on the place value of 3 digit numbers and learning mental strategies for adding and subtracting up to 3 digit numbers.

Literacy

We will be learning the story of Hansel and Gretel, and adapting it to create our own version. The children will deepen their understanding of sentence structure and embellish their writing to create an interesting and individual story.

Science

The children will be learning all about different rocks, where they might be found and how we use them

Geography

The children will be learning about the Geography of the UK. They will be able to identify the different countries, capital cities and main rivers and mountain ranges.

Time table

PE: Mondays and Wednesdays. Please make sure your child has their PE kit for these days

Homework

Children will learn 3,4 and 8 times tables.

We expect children to read their reading book and return it with their reading record book every day. Year 3 children will also be expected to choose one piece of homework from grid in their homework log book.
