

Welcome to Maple Class!

Miss Drohan, Miss Byrne, Mrs Bowler, Mrs Khan and Mrs Mankelow

The children are settling brilliantly into year 1, the adults have been really impressed with how sensible and independent they are!

Literacy...

We will be focusing on the story of Hansel and Gretel. Please encourage your child to re-tell the story at home, they can teach you the actions we will be learning in class! We will also have daily phonics, handwriting and reading sessions.

Can we please ask that you spend some time each day reading with your child, it's so important, and a lovely way to spend some quiet time together. Please feel free to write comments in your child's reading record book.

Can you spare a few hours each week to help our children at forest school? We need extra adults on Wednesdays or Fridays. Please speak to a class teacher for more information.

Maths...

We will be working with numbers to 100, counting forwards and backwards, in 2s, 5s and 10s, and finding one more and one less. We will also be learning to read and write numbers as numerals and words.

Topic...

Journeys - Where did we go on holiday, and can we recognise features of our local environment?

In science there will be lots of practical activities as we use our senses to explore materials and textures in the world around us.

PE is on Tuesdays and Thursdays, children should have their PE kits in school on these days please. Book bags should be in school every day. Homework will be given every 3 weeks.
