

OAK CLASS

Welcome to Oak class where we will develop our emotional literacy to become the best person we can become and improve our learning as a result

THE CHOCOLATE RAINFOREST

The topic to bridge our learning this term is *The Chocolate Rainforest*. We will discover what life is like for animals and humans living in tropical rainforests. We will learn about current Amazonian tribes as well as studying the mysteries of the Mayan Civilization. This topic will also include an educational trip.

Maths

In maths we encourage children to be all-round mathematicians; including knowledge of number, shape, measure and data handling. This term's focus is to be confident with times tables, fractions and decimals.

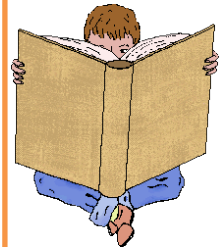

Music

This term, Oak Class will be continuing their music and singing lessons with Miss Fletcher on Thursday afternoons. We will also recommence the ukulele lessons on Mondays.

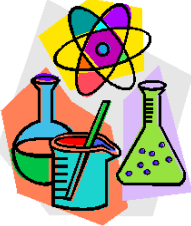

Literacy

We will be learning to narrate, perform and write different text types, our current one being *Journey to the River Sea*. Regular practice of our texts embeds children's learning.

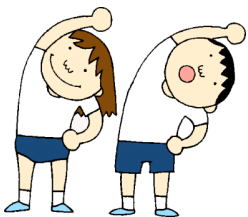

In science and RE...

In science, we will discover about *Living Things and their Habitats*, including classification and food webs. In RE, we will be studying the meaning of forgiveness.

PE kits and water bottles should be in school at all times. PE will take place on **Thursdays**. Oak Class will finish swimming lessons at February half-term on **Tuesdays**.

Homework, alongside spellings, will be assigned on **Thursdays** and will be due in the following **Monday** in the Log Books. Both **spelling** and **reading** should be practised daily.
