

Year 3 Spring

Topic

Year 3 will be finding out all about the Victorians. We will be visiting the Woodstock museum to look at Victorian artefacts and to experience what life was like for Victorian children at school.

Maths

Year 3 will be focusing on adding and subtraction of 3 digit numbers, revisiting multiplying and dividing 3 digit numbers, and properties of shape.

Literacy

Our new text this term is Lazy Jack. The children will be having some fun learning the story through a play script, acting it out and then creating their own play script.

Science

In science the children will be learning about forces and magnets. They will have lots of fun discovering what effect forces have on objects.

Religious Education

In RE the children will be finding out more about Christianity.

Personal Health and Social Education

In PHSE the children will be talking about Dreams and Goals.

Computing

In computing the children will be programming, learning how to use the internet safely and searching for information efficiently.

Art and Design

The children will be looking at paintings from the Victorian period and will recreate their own versions of famous works using a range of different media.

Spanish

The children will be learning colours and numbers in Spanish.

Music

In Music we are planning a collaboration with Oxford Spires Academy to do music workshop lessons linked to Adiemus by Karl Jenkins.
