

Year 6 - Summer 2

Literacy

We will be creating yearbook pages, getting inspired by a wordless picture book, and writing in different voices.

Numeracy

As there are no SATs this year, we will be continuing to revise key topics from the year, including shape, the four operations and measure.

Art & Design/Design Technology

We will be designing and making fashion bags with a 'Decades' theme e.g. to hold a Walkman or 45 inch single, with patterns from the era.

Computing

We will be revising algorithms and coding techniques.

Geography/History

We will continue our Decades theme, now looking at themes through the decades, such as changes in technology, housing and society.

Science

We will be looking at the life cycles of living things including different plants and animals.

Value of the term - Love

Collective worship themes – Thankfulness, Empathy, Honesty

PE

We will be practising our athletic skills, including track events such as sprints and long distance running, and field events such as throwing.

PSHE

Our PSHE lessons this term will focus on 'Changes', including getting reading for secondary school and the emotions we might feel.

RE

In RE we will be learning about other religions around the world and what their core beliefs are.

Music

We are hoping to be able to create some musical performances as part of our graduation in the summer.

MfL

For our final term of Spanish we will be consolidating vocabulary we have learned through the year, including directions.

I have come so that you might have life. Life in all its fullness.

John 10:10
