

### Breakfast Club September 2020 – new rules for Covid 19

In order to ensure that the children don't mix between class 'bubbles' at breakfast club, there need to be new arrangements for September.

- Tables will be set out with at least 2m between the tables
- Each table is designated for a specific year group
- If children from both classes in a year group are attending, they should sit at separate ends of the table, maintaining distance.
- If there are more than 4 children from any one year group, then there should be an extra table set aside for that year group.
- The children **MUST** remain seated at their table for the whole session (unless going to the toilet). There will be no physical games allowed under the current restrictions.
- One box of resources should be on each table – clearly labelled with the year group/class
- The resources should not be shared between tables
- Resources should be wiped down regularly
- Staff must wear PPE at all times – visor, gloves, disposable apron.
- Each staff member is responsible for the cleanliness and care of their own visor
- Breakfast will be served to the children at their table
- 3 staff will be working each session
- 1 member of staff will wipe and anti-bac the tables and benches at the end of the session
- Parents will not be able to enter breakfast club – please bring your child to the front entrance door
- All bookings must be made via ParentMail, with payment, in advance. This is to ensure that we have enough staff and to make sure Breakfast Club is not over-crowded.
