

CHERRY CLASS

Maths

This term we begin with telling the time and measuring using a ruler. We will then look at multiples, learning our 2, 5, 10 and 3 times tables and working on arithmetic skills and fractions as well as answering reasoning questions using addition, subtraction, multiplication and division.

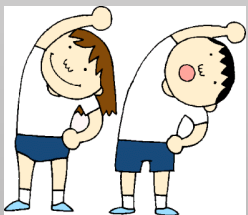

In science...

We will discover all about plants. We will be naming plants in the school grounds and creating our own class garden.

In RE

We will investigate the question does going to the mosque give Muslims a sense of belonging ?

PE this half term will take place on Wednesday afternoons and will be cricket coaching with the scheme 'Chance to Shine' and outside cricket coaches. Please send your child in their PE kits

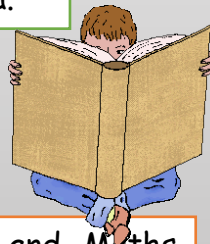

KNIGHTS AND CASTLES

The topic to bridge our learning this term is 'Knights and Castles'. We will explore various types of castles through time and look into what life was like around a castle. We will learn about Empress Matilda and her historic adventures. This topic will also include re-enactments and practical lessons on life inside a castle.

Literacy

We will be learning poems by heart, including ones about castles and writing our own slow poems. We will be making a pop up information book on castles and writing an escape story based on the true story of Empress Matilda.

Both spellings and reading and Maths should be practised weekly. **Homework**, is handed out on **Fridays**. Optional work is also set on purple mash weekly to revise key themes.
