

## Year 2 - Summer 2

**Literacy** We will continue our Knights and castles themed writing, using the 'Paper Bag Princess', 'George and the Royal Chocolate Cake' and 'How to catch a Dragon'. We will aim to use expanded noun phrases, a range of conjunctions and suffixes.

**Numeracy** We will look at measures this term including measuring length and height, temperature, volume and capacity. We will also revise all the arithmetic skills we have worked on all year including 2,5,3, and 10 times tables, number bonds to 20 and 100, and adding and subtracting two digit numbers.

### Art & Design/Design Technology

We will be looking at medieval catapult designs and designing our own using wooden spoon, elastic bands and lolly sticks. We will look at the artist Matisse and work on some castle art.

### Computing

We will be using the ipads and presenting information about castles, dragons, princesses and knights.

### Geography/History

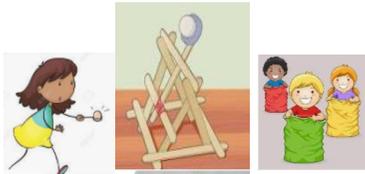

We continue our castle topic; looking at geographical features of where castles were built, jobs within a castle as well as having a medieval themed dress up day.

### Music

We will sing and accompany songs about travel and lands far away.

### Value of the term

Love – through which we will explore thankfulness, empathy and honesty

### PE

We will be following the theme of getting creative as well as practising events for sports day.

### PSHE

Our theme this term is Changing me where we consider our changes since we were babies, changes in seasons, how our bodies change and moving up to year 2

### RE

This term we continue to learn about and through Islam. We think about hajj and what this means for Muslims.

### Science

In science we will learn about the natural world, what grows and we will hopefully be growing our own carrots, radishes and herbs to eat.

I have come so that you might have life. Life in all its fullness.
