

Year 6 – Spring 1 – We will be learning...

Literacy

- Writing from different perspectives
- To write a recount
- To create atmosphere and 'scare' the reader when writing fiction

Numeracy

- Translation and reflection of shapes
- To multiply and divide decimals, and convert between decimals and fractions
- To understand percentages, find percentages of an amount and convert between percentages and decimals

Art & Design/Design Technology

- To appreciate the work of famous landscape artists, using suitable techniques to create our own piece of landscape art

Computing

- How to create and use spreadsheets with Google Sheets

Geography/History

- To look in detail at the causes and effects of earthquakes and volcanoes
- To compare the climates of two northern hemisphere countries

Science

- To recognise that light travels in straight lines, and explain how our eye sees objects
- To explain how light travels and how the shape of objects affects their shadows

Value of the term: Courage

Collective worship themes: Hope, Forgiveness, Trust

PE

- 'Social' games and skills, including teamwork and controlling movements

PSHE

- To think about and share our dreams and goals

RE

- To explore Christian's views on eternity, asking the question 'is anything eternal?'

Music

- To recognise and play chords and harmonies
- To identify how rhythm and movements fit together

MfL

- How to say the Spanish names of countries from around the world, and identify Spanish speaking countries
- To describe features of towns and cities

I have come so that you might have life. Life in all its fullness.

John 10:10
