

Year 1 – Summer 2

English

We will be learning how to use prefixes and suffixes and to be able to write the days of the week.

Maths

We will be learning to tell the time, describe turns and position, count forwards and backwards to 100 and compare and partition numbers.

Art & Design/Design Technology

We will be learning to explore pattern using a variety of objects and basic tools.

Computing

We are learning how to develop the skills to create, organise, store, manipulate and retrieve digital content through the creation of our own animated story book

Music

We will be learning how to use our voices, movement and instruments to explore changes of pitch and develop a performance with different vocal pitch shapes and tuned percussion.

Values of the term

Love within which we explore themes of thankfulness, empathy and honesty.

Science

We will be learning how to name plants and trees, describe the structure of plants and trees and note seasonal changes.

PE

We will be learning how to move and land safely, be aware of why exercise is good for our health and how exercise feels for our body.

PSHE

We are learning about the changes that have happened in our life.

RE

We are learning how celebrating Chanukah can make Jewish children closer to God.

I have come so that you might have life. Life in all its fullness.

John 10:10
