

Year 2 - Summer 2

Literacy We will continue our Knights and castles themed writing, using the 'Paper Bag Princess', 'George and the Royal Chocolate Cake' and 'How to catch a Dragon'. We will learn how to use adjectives in expanded noun phrases, a range of conjunctions and suffixes.

Numeracy We will also revise all the arithmetic skills we have worked on all year including 2,5,3, and 10 times tables, number bonds to 20 and 100, and adding and subtracting two digit numbers with bridging through 10. We will learn how to identify the operation in word problems.

Art & Design/Design Technology

We will learn about medieval catapult designs and design our own using wooden spoon, elastic bands and lolly sticks. We will learn about features of landscapes and create 3D representations of castles.

Computing

We will be learning how to presenting information about castles, dragons , princesses and knights using purplemash.

Geography/History

We continue our castle topic; we will learn geographical features of where castles were built, jobs within a castle as well as having a medieval themed dress up day.

Music

We will learn songs about travel and lands far away.

Value of the term

Love – through which we will explore thankfulness, empathy and honesty

PE

We will be following the theme of getting creative as well as practising events for sports day.

PSHE

Our theme this term is Changing me where we consider our changes since we were babies, changes in seasons , how our bodies change and moving up to year 3.

RE

This term we continue to learn about and through Islam. We think about hajj and what this means for Muslims.

Science

In science we will learn about the natural world, what grows and hopefully growing our own carrots radishes and herbs to eat.

I have come so that you might have life. Life in all its fullness.
