

# Year 3 - Summer 2

## Literacy

We will be exploring diversity and influential Africans. We will be looking at the story of Nelson Mandela and creating biographies for some of the inspirational people we learn about.

In Maths we will be starting geometry and looking at the properties of shapes, followed by measurement, where our focus will be mass and capacity.

## Art & Design/Design Technology.

We will be looking at the different foods and dishes that originate from Africa. We will be recreating dishes from Morocco and Malawi.

We will also be creating our own Tinga Tinga paintings!

## Computing

We will be learning about e-mails.

## Geography/History

We will be exploring the differences between different African countries and comparing them to life in the UK.

We will be continuing our topic on Plants by looking at flowers and their life cycle.

Value of the term - Love

Collective worship themes – Thankfulness, Empathy, Honesty

We will be practising our athletic skills, including track events such as sprints and long-distance running.

Our PSHE lessons this term will focus on 'Changes' and understanding our emotions.

In RE we will be focusing on Sikhism with our main focus being 'How do Sikhs show their commitment to God?'

We are hoping to be able to create some musical performances as part of our end of term celebration.

For our final term of Spanish we will be focusing on the vocabulary for different foods and the terminology needed for ordering in restaurants and cafes.

I have come so that you might have life. Life in all its fullness.

John 10:10
